PROCEEDING MEMO

MATTER: Confirmation Hearing:
47 - Chapter 11 Plan dated February 3, 2020
66 - Ballot summary
67 - Proposed Order

APPEARANCES:
Debtor: Christopher M. Frye

NOTES: (11:19)

Frye: This is not a small business case, and the disclosure statement was already approved. I uploaded a standard confirmation order, and the debtors' income remains steady in light of everything going on.

Court: That was my main question, to get any insights as to whether COVID-19 has impacted their income.

Frye: I spoke with them yesterday and they don't foresee any decrease in income any time soon.

Court: The budgeted amount for monthly plan payments includes \$81.56 to Class 5 and \$625 to general unsecured creditors in Class 6 (although actually paid quarterly), is that correct?

Frye: Yes.

Court: That payment amount seems doable in light of the debtors' income levels. I find all the requirements for Section 1129 (a) have been met and that the plan was filed in good faith.

OUTCOME:

1. Chapter 11 Plan dated February 3, 2020 [Dkt. No. 47] is CONFIRMED. [HT to issue proposed order at Dkt. No. 67 with corrected date in second paragraph]

2. Post-Confirmation Order to issue. [HT to issue]
